This document gives a short overview of Ayushman Bharat PM-JAY Health Insurance.

Ayushman Bharat Pradhan Mantri Jan Arogya Yojana was launched on 23 September 2018 from Ranchi. The scheme offers a health cover of 5 lakh rupees per family per year for hospital care. It covers secondary and tertiary care hospitalisation and is cashless and paperless at empanelled hospitals.

Eligible families are identified using the Socio-Economic Caste Census 2011 database. The National Health Authority is the apex body that implements the scheme. There is no cap on family size or age of members under the scheme.

Ayushman Bharat also includes Health and Wellness Centres that deliver comprehensive primary health care. In October 2024 the scheme was extended to all citizens aged 70 years and above, irrespective of income.
